QUARTER COURSES

IGETC certified

- IGETC clears all lower-division GE requirements if certified by your community college before transfer.
- Students with IGETC must complete these upper-division requirements while enrolled at UC San Diego:
 - WCWP 100: Academic Writing
 - 2 upper-division courses outside of your major discipline.

All other transfer students

- *After Transfer* to UC San Diego, Warren College will determine which of your transferable courses satisfy the first-year GE requirements.
- You must complete:
 - WCWP 100: Academic Writing.

QUARTER COURSES

IGETC certified

- IGETC clears all lower-division GE requirements if certified by your community college before transfer.
- Students with IGETC must complete these upper-division requirements while enrolled at UC San Diego.
 - 2 Making of the Modern World courses designed for transfers: MMW 121-122.

All other transfer students

- *After Transfer* to UC San Diego, Roosevelt College will determine which of your transferable courses satisfy the first-year GE requirements (except you will be held to 2 upper-division Regional Specialization courses rather than 3).
- You must complete:
 - 2 upper-division Making of the Modern World courses designed for transfers, MMW 121-122 (assumes 2 semesters of writing completed).

QUARTER COURSES

IGETC certified

- IGETC clears all lower division GE requirements if certified by your community college before transfer.
- Students with IGETC must complete ONE of the following Writing courses at UC San Diego.
 - MCWP 50 or 125

All other transfer students

- *After Transfer* to UC San Diego, Muir College will determine which of your transferable courses satisfy the first-year GE sequences.
- Transfer students must complete MCWP 40 & 50.

QUARTER COURSES

IGETC certified

- IGETC does not clear all lower-division GE requirements.
- Students with IGETC must complete these requirements before transfer or while enrolled at UC San Diego:
 - 3 courses in Mathematics to include two courses in Calculus and one course chosen from an approved list.
 - 5 courses in Natural Science to include courses from Biology, Chemistry, Physics and Environmental Sciences. Separate sequences available for Science majors and for Arts, Humanities and Social Science majors.

All other transfer students

- *After Transfer* to UC San Diego, Revelle College will determine which of your transferable courses satisfy the first-year GE requirements.

QUARTER COURSES

IGETC certified

- IGETC clears all lower-division GE requirements if certified by your community college before transfer.
- Students with IGETC must complete these upper-division GE requirements:
 - Practicum course or project (you must complete 1 quarter at UC San Diego before starting the Practicum)
 - CAT 125

All other transfer students

- *After Transfer* to UC San Diego, Sixth College will determine which of your transferable courses satisfy the first-year GE requirements.
- You must complete these upper-division GE requirements:
 - Practicum course or project (you must complete 1 quarter at UC San Diego before starting the Practicum).
 - CAT 125

QUARTER COURSES

IGETC certified

- IGETC clears all lower-division GE requirements if certified by your community college before transfer.
- Students with IGETC must complete these upper-division GE requirements:
 - 2 four-unit, upper-division courses outside your major, including 1 writing intensive course.

All other transfer students

- *After Transfer* to UC San Diego, Marshall College will determine which of your transferable courses satisfy the first-year GE requirements.
- You must complete these upper-division GE requirements:
 - 2 four-unit, upper-division courses outside your major, including 1 writing-intensive course.

QUARTER COURSES

Entering transfer students will be able to indicate a preference for Seventh College for Fall 2022 admission.
